MORRIS COUNTY STREET ADDRESS DIRECTORY

Census Data

The 2000 Edition of the City Publishing Company Street Address Directory for Morris County, will have on every street possible the census tract for that street listed under the street directional guide. Included will be the tract number, house number range and a relative wealth rating. This wealth rating is based on the 1990 census using average household income as the basis for the rating. A tract will be coded $1, $2, $3, $4 or $5 with $1 being the lowest average income area and $5 being the highest average income area. Census tract maps follow this page in the directory giving the geographic reference for each census tract.
